******FRAMING INSTRUCTIONS******

Students are allowed 2 pieces of art- 1 large (18 x 24 or 16 x 20), 1 small(8 x 10 or 11 x 14)- All scholarship entries displayed separately.

All work must be framed with proper hardware—SCREW EYES are the best! Please insert correctly-if they are loose, they will fall out. I have wire-don't worry. You do not need to professionally frame! This is to preserve and present your child's art-not to make you go bankrupt. All pastels and watercolors must have glass (unbreakable plexi is better-). Poster frames are ok-check that the hanger will not break. All canvasses do NOT have glass. Just a frame and screw eyes into the wood of the frame. You can duck tape the canvas in the back—securely on all 4 sides. 2 little pieces won't hold it. It will fall out. You could also use small nails. Canvas is wider than a piece of paper, so you will have some overhang on the back for frames that have a narrow ridge inside. THAT IS FINE!! No one sees the back. Frames can be purchased at A.C. Moore, Michael's, Walmart, Costco, Target etc. Watch for coupons. If your canvas has a wrap around design on the sides, it can have screw eyes on the back with NO FRAME. PLEASE MAKE SURE FRAMES ARE SECURE-THEY NEED TO TRAVEL—BROKEN FRAMES CAUSE ACCIDENTS- GLASS BREAKS AND CAN CUT AN ARTERY!!! THANKS!!!

All work can be turned in the last day of class if possible. Let me know of any problems and we will work something out.

All work must be picked up from the Library by the start of school vacation!! PLEASE PICK UP WORK—THERE IS NO STORAGE AT THE LIBRARY-Be careful of other's work-I will take things down and lean them against the wall on Friday, April 16th. THANK YOU!!!!!!!
